

Scotts Mill Homeowners Association

The Board of Directors meets the second Thursday of each month at 7 pm in the Clubhouse. The meetings are open to all members (homeowners) of the Association. If you wish to attend a meeting, please contact Omega Management at 461-0102.

Scotts Mill has been offered a great service

Because our beautiful homes are now coming close to a decade in age, you may start to see roof mold- a common problem in the southeast. (see photo) This is not attractive and can ruin the roof material permanently.

Through a referral from our Homeowners Association management company, Omega Management and Associates, we have received information that all Scotts Mill Homeowners will receive 10% off from a chosen vendor, Mildew Magic, for removal of roof mold on any home in our neighborhood.

For information about their services, see www.mildewmagic.com – if you decide to use their services, tell them you live in Scotts Mill.

'THE LIST'

Local customer service or Apex businesses that you want to know about! Each month we hope to write about an interesting and well recommended service or business. Send us your suggestions.

Kaitlyn is 14 years old, a 5 year veteran of yoga in Cary. The rush hour drive from Scotts Mill to Cary was awful. Now that The Yoga Garden is right here in downtown Apex, it takes less than 5 minutes to arrive. Kaitlyn has been attending private lessons with Margaret, business co-owner with her husband David. Since Kaitlyn has been doing adult classes in Cary, her family felt she needed a little one-on-one time with Margaret to make sure she was ready for a new studio and a new style of class. Margaret was more than happy to oblige.

"We have to recommend such a wonderful, locally owned business!" says Kaitlyn's mother Wendy. Kaitlyn agrees.

SCOTTS MILL PET PROFILE

Hello, This Month's Pet Profile is about Mack and Tori

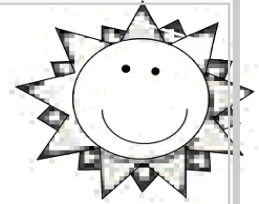

Mack (WP's Semi) and Tori (Pazzo Tori) are 4 year old

retired racing greyhounds. Both retired after successful racing careers at several tracks throughout Florida. Mack came to live in Scott's Mill June 2008 and Tori came later in February 2009. Both enjoy walks around the neighborhood, getting treats and taking long naps on their comfy beds. They also enjoy doing fun runs with the local greyhound group where they get to show off their speed and meeting as many people as possible at the Apex Panera Bread on Sunday mornings. They love to be petted

so feel free to say "hi" if you see them on a walk.
